UNIVERSAL PRE-K

LYNCOURT UNION FREE SCHOOL DISTRICT

OUR MISSION

The Lyncourt Union Free School District, in partnership with the community, is committed to educating all learners to reach their full potential.

What is Universal Pre-K?

Instilling a love for school and learning is at the heart of our Pre-K program. We provide a safe, structured, inclusive setting that supports, encourages and inspires each child. We believe that children learn best through meaningful play which is reflected in a child-centered program that integrates the physical, cognitive, social, emotional, language, self-help and aesthetic areas for total development of each child.

Why enroll your child in Universal Pre-K?

Universal Pre-K promotes academic success and greater achievement. It can boost future achievement and develop social skills necessary for children to be successful in school and life.

Lyncourt Union Free School District Universal Pre-K

"Great Expectations for
Achievement, Respect, and Caring"

We offer a full day Universal Pre-Kindergarten program for four year olds, Monday through Friday. Children need to be **four** years old before December 1st to qualify for the program. The program is free for residents of the Lyncourt School District and is held right at the school.

Calendar

We follow the district's calendar for start and end time, as well as holidays, school breaks, staff professional days, etc.

Transportation

How does my child get to school?

If students live on our bus route, they will be bussed.

If students do not live on our bus route, parents need to bring and pick up their child daily.
