Well Now Urgent Care Locations (check the website link: wellnow.com)

NEW! Testing for Schools

Monday-Friday, 9am-1pm NBT Bank Stadium, 1 Tex Simone Drive, Syracuse

Registration required. Call Upstate's COVID-19 Hotline at **315.464.2582**, select **option #4**.

This will be saliva-based testing with an average turnaround time of 24-36 hours, and results will be available through an online portal, or send Email request to: releases@upstate.edu

Testing is also available at primary care offices, call for details.

*****Important information that MUST be followed for testing:**

- Children under the age of 18 must be accompanied by a parent/guardian.
- Do not eat or drink anything, including chewing gum, mints, or lozenges for 30 minutes prior to the test
- Do not brush teeth or use mouthwash for three hours prior to the test.
- Do not smoke, vape, or using smokeless tobacco products for 30 minutes prior to the test.
