MRS. CAROL HAYES ~ SCHOOL NURSE

FUN FACTS

- I enjoy spending time taking care of my golden retriever, Lacey. My goal is for her to become a therapy dog. I'm not sure if we will succeed. She is very sweet. I have also take yoga for over 15 years. I try to attend at least 1 class per week.
- If I could have any superpower, I would like to have the superpower to heal people. I wish I could just lay my hands on someone and heal any physical or emotional problem.
- The most unusual thing I've ever eaten is frog legs.
- If I could have dinner with a famous person, I would like to have dinner with Hoda Kotb from Good Morning America. She seems to have a good sense of humor as well as being down to earth.

AN INTERVIEW WITH MRS. HAYES

What inspired you to become a nurse?

I was inspired to become a nurse when I was about 4 years old. My father had an illness that took some time to figure out. There is a picture of me with the nurses' outfit on standing by his bedside.

What are you most excited about this school year?

I am the most excited about getting to know the children at Lyncourt.

What's one thing on your bucket list that you want to achieve?

For my bucket list, I hope to stay healthy enough to see at least one of my grandchildren graduate from high school.

If you could travel anywhere in the world, where would you go and why?

If I could travel anywhere, it would be to Italy. I would love to take in the history and eat the food.
