MS. JODI HOLLIDAY ~ SPECIAL EDUCATION

## FUN FACTS

- Outside of school I enjoy house and yard projects, reading, and going on day trips with family.
- If I could have one superpower, I would choose to have healing powers to be able to instantly heal myself and others.
- I am not very adventurous when it comes to food. I have not tried octopus, frog legs, or anything similar. However, I do love tacos, enchiladas, and steak.
- I would love to travel to England if given the opportunity. My mom was a foreign exchange student in England as a high schooler and we became family friends with the host family
- If you had to choose a theme song for my classroom it be "Electric" by Katy Perry.
- If I could have dinner with a famous person, I would like to have dinner with Dr. Wayne Dyer. I feel that he was an inspiration to many and his positive attitude was contagious. Thank you for taking the time to read a little about me. I look forward to learning about each and every one of you!
